BOYS ON THE MOVE

Can you spare \$1?

Dear Family & Friends: I am participating in the Boys on The Move Obstacle Course on September 22, 2018 at Robert S. Payne Elementary School “Field of Dreams” 1201 Floyd Street. Lynchburg, VA 24501. Event time is 9:00am until 1:00pm. The proceeds from the pledge sheets will go entirely to the Patient Support Fund which helps cancer patients and families who need financial assistance during their treatments. Whether it is a patient who is unable to afford their pain medication, a father of three unable to find transport to treatment every day, a family who is having to make the choice between his treatment or utility bills... your generosity allows them to receive high quality cancer treatment that will change and save their lives. The Gamma Omega Chapter of The Omega Psi Phi Fraternity, Inc. whole heartedly thanks you for supporting this endeavor.
